5.1	Mission. State the PHA's Mission for serving the needs of low-income, very low-income, and extremely low income families in the PHA's jurisdiction for the next five years: The mission of the Clay County HRA is to strengthen and revitalize communities by providing development opportunities, quality housing and services.					

5.2	<p>Goals and Objectives. Identify the PHA’s quantifiable goals and objectives that will enable the PHA to serve the needs of low-income and very low-income, and extremely low-income families for the next five years. Include a report on the progress the PHA has made in meeting the goals and objectives described in the previous 5-Year Plan.</p> <p>Goal 1: Expand the supply of assisted housing.</p> <p>Objective 1: Apply for additional rental vouchers <i>The Clay County HRA has identified a need for a minimum of 350 additional vouchers over the next 5 year period. It is unlikely that sufficient resources will be available to meet this need. The agency will aggressively seek resources to increase the current supply of rental vouchers by a minimum of 50 vouchers from 2015 to 2019.</i></p> <p>Objective 2: Acquire or build units or developments. <i>The Clay County HRA has identified the need to both acquire and rehabilitate existing rental units and to construct new rental units. The agency has identified the need for additional housing for veterans, the elderly, disabled, homeless, domestic violence victims, families with minor children, and students. The agency will seek resources to acquire and/or construct 40 units from 2015 to 2019.</i></p> <p>Goal 2: Maintain or Improve the quality of assisted housing</p> <p>Objective 1: Maintain status as a Housing Choice Voucher High Performer under the SEMAP criteria. <i>The Clay County HRA has consistently maintained a high quality Housing Choice Voucher program and will continue to be a High Performer for the next 5 years.</i></p> <p>Objective 2: Improve public housing management score to status of High Performer and/or seek means of disposing of property. <i>The Clay County HRA has been challenged in the management of the public housing units due to steadily decreasing federal funding for Capital Improvements. If the quality of the units deteriorates due to insufficient funding, the HRA will seek means of disposing of the property.</i></p> <p>Goal 3: Create homeownership opportunities for low and moderate-income families in Clay County</p> <p>Objective 1: Maintain and expand the current Housing Choice Voucher Homeownership Program. <i>The Clay County HRA established a Housing Choice Voucher Homeownership Program in 2007. Since that time, twelve Housing Choice Voucher participants have become home owners through this program. During the next five years, the agency will strive to assist three new Housing Choice Voucher participants in achieving homeownership.</i></p> <p>Objective 2: Assist low and moderate-income homeowners in making necessary repairs to their homes <i>The Clay County HRA will seek resources to assist an average of 8 homeowners per year in making necessary repairs to their homes in order to maintain or improve the habitability of their homes.</i></p>

PROGRESS REPORT ON GOALS AND OBJECTIVES CONTAINED IN 5-YEAR PLAN FOR 2010-2014

Overall, the Clay County HRA has made significant progress in achieving the goals and objectives outlined in the 5-Year Plan for 2010-2014.

Specific information is as follows:

Goal 1: Expand the supply of assisted housing

Objective 1: Apply for additional rental vouchers

Progress: The Clay County HRA has aggressively applied for rental voucher assistance that the agency is eligible to receive. It now administers 51 additional vouchers, an increase of 12% from 2010.

- *The agency increased HUD Continuum of Care-funded rental assistance from 22 to 48 units;*
- *The agency increased tenant-based rental assistance for long-term homeless households funded by the State of Minnesota from 45 to 53 households;*
- *In 2014 the agency began administering 18 units of rental assistance for Highly Mobile and Homeless Families with Children in grades K-12.*

Objective 2: Acquire or build units or developments.

Progress: Since 2010 the agency has built 32 units of supportive housing and assisted Churches United for the Homeless in completing an application to the Minnesota Housing Finance Agency and the Federal Home Loan Bank to build an additional 41 units of permanent supportive housing.

Goal 2: Improve the quality of assisted housing

Objective 1: Maintain status as Housing Choice Voucher High Performer under SEMAP criteria.

Progress: The agency has continued to maintain high performer SEMAP scores of 100%.

Objective 2: Improve public housing management: Increase PHAS score to High Performer or exam alternatives for disposal of units.

Progress: The agency was not scored between 2006 when it received an 86 and 2011. During this time, HUD changed the way the PHAS score is calculated. One change that significantly impacted the agency was in the financial area. HUD switched from evaluating the financial condition of the agency as a whole to solely evaluating the public housing program.

As a result, the agency received a score of 67 and received a Substandard Financial score. In 2012, the score increased to 88 due to a change in how the amount owed by the public housing project to the agency was listed on the balance sheet. The 2013 PHAS score is 80 – Standard Performer. It decreased due to more vacancies and more physical needs than in the prior year.

The agency continues to strive to improve this score.

Goal 3: Create homeownership opportunities for low and moderate-income families in Clay County

Objective 1: Maintain and expand the current Housing Choice Voucher Homeownership Program.

Progress: The Clay County HRA established a Housing Choice Voucher Homeownership Program in 2007. Since that time, twelve Housing Choice Voucher participants have become home owners through this program. Six became homeowners from 2010 to 2014.

Objective 2: Assist low and moderate-income homeowners in making necessary repairs to their homes

Progress: The Clay County HRA has partnered with a variety of agencies to provide repair assistance to low- and moderate-income homeowners. The agency has assisted an average of 8.4 homeowners per year.
